President trump*:

Re: Michael Flynn

Your former National Security Advisor Michael Flynn once said “If I had done a tenth of what Hillary Clinton had done, I’d be in jail.”.

It’s clear that Michael Flynn should be in jail ...for lying to the FBI and the Logan Act.
Lock him up.

You need to release all vetting documents to the House Intelligence Committee; rather than stonewalling. What are you hiding? Why are you protecting Flynn?

[*Russia is coming.]
