Re:Sleaze, sleaze and more sleaze

You are completely lacking in morality, integrity and honesty - and it is reflected in your actions and administration:

1. Flynn lied on the SF86 form re talking to Russia; revoke his security clearance
2. Your SIL Jared Kushner lied on his national security SF86 about talking to the Russians; revoke his security clearance
3. You lied about releasing your tax returns (how many times during the campaign did you say you would). You're proposing tax reform that will benefit you directly - SLEAZY!
4. TrumpNoCare imperils millions with reduced coverage and higher premiums
5. You falsely accused President Obama of wiretapping you - SLEAZY; pathetic
6. Your tax 'plan' gives millions to the 1% - and pennies to the poor. SLEAZY
7. Page, Manafort, et al colluded with the Russians to affect the 2016 election (with your knowledge?)
8. Kellyanne Conway acts as advertiser for Ivanka's clothing line; SLEAZY - and has she been reprimanded? Hardly. SLEAZY.
9. You've insulted federal judge Curiel; you acted like a racist. SLEAZY.
10. You grope women's pussies 'on demand'. How sleazy. And you consider yourself a role model?

You're a disgusting leader, robbing in 100 days, the credibility of the USA around the world. How you love to hate.

Enclosed is some toilet paper. Do America and the world a favor - and self-flush.

[*Russia is coming.]
