

President Donald Trump  
The White House  
1600 Pennsylvania Ave  
Washington DC 20500

President Trump:

Re: Voter Fraud

You have said that 3-5MM illegal folks voted in this past election. This is absurd and you have no evidence - yet you say there is.

You were NOT elected by a majority of voters; far from it. You're an asterisk President, helped by Russia.

Show the American people your evidence. But you're a liar; you have no evidence. Sad, sad, sad.
